

PETITION FOR RECALL

TO THE HONORABLE BOARD OF SUPERVISORS OF EL DORADO COUNTY,

Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of El Dorado County, California, respectfully state that we seek the recall and removal of Vern Pierson, holding the office of District Attorney, in El Dorado County, California.

We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on November 24, 2015 to Vern Pierson:

TO District Attorney Vern Pierson: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of El Dorado County, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of District Attorney in El Dorado County, California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

We the voters are seeking relief from the tyranny of our elected officials who have engaged in malfeasance acts and corrupt practices, including, but not limited to:

Abusing the power and resources of office to pursue criminal prosecutions and civil litigation against innocent persons and businesses for personal and political reasons, such as, generating career building publicity and punishing political enemies.

Participating in an immoral scheme whereby some County Elected Officials receive non-performance bonuses increasing the amount of both their six figure base salaries and retirement pensions for reasons such as simply being re-elected or possessing the certificates required to hold office.

Participating in an immoral scheme whereby the District Attorney receives extra pay as "County Chief Technology Officer", thereby gaining access to all e-mail messages moving through the County internet system including the Public Defenders Office.

Abusing court rules to discredit Judges for personal and political reasons.

The printed names, signatures, and residence addresses of the proponents (business or residence addresses are on file with the election official) are as follows:

Ken R Greenwood, Mary Trojan, Curtiss Weidmer, Lewis Bilger, Myra M Little, Eileen M. Atherton, Daniel B. Dellinger, Richard D Churches, Haroldene H. Freeman, William Freeman, Ed Hagen, Charles C. Cherney, Magret Homburg, Phil Brents, Melody Lane, Marian P. Smith, Mark E. Smith, Kelly Webb, Susan French, Roy French, James Webb, Sherilyn M. Lum-Alarcon, Cris Alarcon, Amber Ashley Adams

The answer of the officer sought to be recalled is as follows: For almost 9 years it's been by honor to serve as your District Attorney. The men and women of El Dorado County Law Enforcement continue to admirably serve the People of this county. I am particularly proud of everyone in the District Attorney's office. From holding murderers and other criminals accountable to building one of the first paperless prosecutor offices, they are second to none. Criminals however, don't like to be held to account.

After serving as chair of the county charter review committee Chris Alarcon was stopped by a Sheriff's deputy. Alarcon gave the deputy an Arizona license and claimed to be an Arizona resident. The plate tag on his car was stolen from his elderly neighbor. His wife admitted he did it to avoid license and registration. My office convicted him of multiple charges including receiving stolen property, driving on a revoked license and false registration. Last year I was re-elected by a margin of 3 to 1. My opponent, a Placer County resident claimed to live with Alarcon.
